

Keep On Dreamin'

*Seems to me sometimes it takes all we got to survive
And even then it seems that we are somehow left behind
I don't know just what I'll do
I just know when I'm with you
I got strength to see me through and to keep our dream alive*

*Keep on dreamin'
Keep on dreamin'
Dreamin' on*

*I don't always know if I'm right or if I'm wrong
I'm not always sure if I'm weak or if I'm strong
All I know is I love you
And I know if you love me too
There ain't nothing we can't do so long as we keep our dream alive*

*Keep on dreamin'
Keep on dreamin'
Dreamin' on*

*My mind is my way
My thoughts are of my day
My dreams tell me the way
Oh, and by the way, I think it's magic*

*Isn't that a road far ahead
I see the map route in my head
If you can think it you can do it – I heard it said
'Cause it's all in your head*

*Keep on dreamin'
Keep on dreamin'
Dreamin' on*
