

So Lovely To Wander Around

*It's so lovely to walk in the moonlight
So lovely to pick up on star light
So lovely to wander around
And tread on the grass of a garden
And tickle your toes in a pond
It's so lovely to wander around*

*Whispering willows have something to say
And everything's part of the play
Including me and you*

*Birds sing as if 'twere a holiday
And everything's going my way
And funny that I didn't know
It's so easy to get up and go
It's so lovely to wander around*

It's so nice – It's so nice – It's so very nice

*Whispering willows have something to say
And everything's part of the play
Including me and you*

*Birds sing as if 'twere a holiday
And everything's going my way
And funny that I didn't know
It's so easy to get up and go
It's so lovely to wander around
So lovely to wander around
So lovely to wander around*
